DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

ASSIGNMENT

2. In response to a notice of missing parts mailed 6/25/2001 indicating that consent of assignee was missing, applicant filed a Reissue Application Transmittal. This document failed to make affirmative statement that no assignee exists. If no assignee exists, applicant should affirmatively state that fact (MPEP 1410.01). Further, if the record is silent as to the existence of an assignee, it will be presumed that an assignee does exist, and consent is lacking in the file.

3. In which case, the following applies:

4. This application is objected to under 37 CFR 1.172(a) as lacking the written consent of all assignees owning an undivided interest in the patent. The consent of the assignee must be in compliance with 37 CFR 1.172. See MPEP § 1410.01.

A proper assent of the assignee, if any, in compliance with 37 CFR 1.172 and 3.73 is required in reply to this Office action.

37 CFR 1.173

5. The showing of support for amendatory changes per 37 CFR 1.173 is insufficient for new claims 39-50 on page 3 of the amendment of 3/13/2009.
6. For new claims 39-50, applicant provides col. 3, line 16 through col. 5, line 31 as support, the entire "Description of the preferred embodiment". The statement needs to be more specific and support for each limitation needs to be specifically point out.
7. Applicant is reminded of the continuing obligation under 37 CFR 1.178(b), to timely apprise the Office of any prior or concurrent proceeding in which Patent No. 5,906,407 is or was

involved. These proceedings would include interferences, reissues, reexaminations, and litigation.

Applicant is further reminded of the continuing obligation under 37 CFR 1.56, to timely apprise the Office of any information which is material to patentability of the claims under consideration in this reissue application.

These obligations rest with each individual associated with the filing and prosecution of this application for reissue. See also MPEP §§ 1404, 1442.01 and 1442.04.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
